The City has established a city-wide Health Insurance Advisory Committee. Each of the City's stakeholder groups participate. Each year SEIU will designate one representative for each of its four recognized bargaining units to serve on the Committee. Human Resources staff will serve on the Committee and provide assistance. The Committee will meet as needed, generally once per month throughout the year, twice per month from June through September. Each of the stakeholder groups will have one vote. All regular City employees to be laid off will be given written notice from the Human Resources Department of the effective layoff date no less than fifteen (15) calendar days before the effective day of the layoff. Such notice will be hand delivered or sent by certified mail. SEIU 721 will receive a copy of the notice.
- c. The written notice shall inform the employee of applicable displacement and priority reemployment rights.

3. Reduction in Force

Once the classifications to be reduced have been identified:

- a. Temporary extra-help employees in the identified classifications shall be terminated.
- b. Temporary limited-term employees in the identified classifications shall be terminated.
- c. Employees serving an initial probationary period in the identified classification shall be terminated.

The Human Resources Director shall then determine the employee(s) to be laid off. Layoffs shall be in the following order:

- d. Regular employees who within the twenty-six (26) pay periods immediately prior to the effective date of layoff have had their merit increase withheld for reasons of unsatisfactory job performance.
- e. Regular employees who within the twenty-six (26) pay periods immediately prior to the effective date of layoff received an overall unsatisfactory job performance evaluation.

If an employee is laid off pursuant to subsection "d" or "e" and believes the unsatisfactory performance evaluation or denial of merit increase is a pretext to lay off the employee, he/she may request an appeal hearing under the procedures set forth in Rule XIV of the Personnel Rules and Regulations.

- f. Regular employees with the least classification seniority.
- g. If there are two or more employees to be laid off who have identical classification seniority, the order of lay-off shall be

by City Seniority. If such City Seniority is also identical, layoff shall be determined by drawing of lots.

4. Displacement Rights (Bumping)

- a. Regular employees who are designated to be laid off and have held regular status in a lower classification may demote into a vacant position or may displace employees in the lower classification provided that the employee exercising the displacement privilege has greater City Seniority than the incumbent in the classification to which the employee is bumping. If the employee designated to be laid off has not held regular status in a lower classification, then no displacement rights accrue to that individual.
- b. Employees being displaced shall be displaced in the same order as specified in Section 3 - Reduction in Force.
- c. An employee must exercise displacement privileges within five (5) working days after receipt of a notice of layoff, by written notice to the Human Resources Director. If displacement privileges are not exercised within the specified time period, they are automatically forfeited.

5. Demotions in lieu of Layoff

- a. An employee designated for layoff shall be demoted into a vacant lower classification for which he/she has not held regular status if the following conditions are met:
 - 1) The employee requests or otherwise agrees to the demotion,
 - 2) The employee meets the minimum qualifications of the lower position, and
 - 3) The City Manager concurs with the proposed action.
- b. All employees who are demoted will be paid at the same rate of pay as prior to demotion, if, and only if, the rate of pay is within the range of the lower position. If this is not the case, the rate of pay shall be within the salary range of the lower position which is closest to the rate of pay prior to demotion.
- c. An employee must accept a demotion within five (5) working days after receipt of a notice of demotion, by written notice to the Human Resources Director. If acceptance is not

exercised within the specified time period, an employee will automatically forfeit the ability to demote.

6. Transfers in lieu of Layoff

- a. An employee designated for layoff shall be transferred to a vacant authorized position with the same maximum salary grade/range if the following conditions are met:
 - 1) The employee requests or otherwise agrees to the transfer,
 - 2) The employee meets the minimum qualifications of the position, and
 - 3) The City Manager concurs with the proposed action.
- b. Employees who are transferred will be paid at a rate of pay equal to the rate of pay prior to transfer.
- c. An employee must accept a transfer within five (5) working days after notice of transfer is given, in writing to the Human Resources Director. If acceptance is not exercised within the specified time period, an employee will automatically forfeit the ability to transfer.

7. Reemployment List For Demoted Employees

- a. Employees who are demoted in lieu of layoff shall have their names placed on a Reemployment List(s) for Demoted Employees. Employees shall have their name placed on lists for classifications at the same or lower salary grade/range in the same classification series as the classification held at the time of the demotion or any classification in which the employee held regular status. Vacant positions within a classification series shall be first offered to employees on these lists.
- b. Eligible employees will be placed on and selected off eligibility lists in the following order.
 - 1) Employees with the greatest classification seniority. When the classification seniority is equal, the Human Resources Department shall notify all those on the reemployment list with equal seniority of the reemployment opportunity and they shall be interviewed and considered to fill the vacancy.

- 2) Employees, notwithstanding their seniority, who within the twenty-six (26) pay periods immediately prior to the effective date of layoff received an overall unsatisfactory job performance evaluation.
- 3) Employees, notwithstanding their seniority, who within twenty-six (26) pay periods immediately prior to the effective date of layoff had their merit increase withheld for reasons of unsatisfactory performance.

8. Reemployment List For Laid Off Employees

- a. Employees who are laid off and who held regular status at the time of layoff shall have their names placed on a Reemployment List for each classification in which they previously held regular status and for classifications at the same or lower salary grade/range for which they meet minimum qualifications. Vacant positions in such classifications will be offered to eligibles on the Reemployment List who qualify for such vacancies after employees on the Reemployment List for Demoted Employees and prior to an open or promotional recruitment for the vacancy.
- b. Eligible employees will be placed on and selected off the list in the following order:
 - 1) Employees with the greatest classification series seniority. When the classification series seniority is equal, the Human Resources Department shall notify all those on the reemployment list with equal seniority of the reemployment opportunity and they shall be interviewed and considered to fill the vacancy.
 - 2) Employees, notwithstanding their seniority, who within the twenty-six (26) pay periods immediately prior to the effective date of layoff, received an overall unsatisfactory job performance evaluation.
 - 3) Employees, notwithstanding their seniority, who within twenty-six (26) pay periods immediately prior to the effective date of layoff, had their merit increase withheld for reasons of unsatisfactory performance.

9. Duration of Reemployment Lists

The eligibility of the individual on the Reemployment Lists shall extend for a period of two (2) years from the date of demotion or layoff. Eligibles not responding to written notification of an opening within five (5) working days of receipt of notification shall have their names removed from the Reemployment List. Eligibles who refuse an offer of reemployment to the same classification (or equal classification) which they held at the time of layoff shall have their names removed from the Reemployment List for that classification and all classifications at the same or lower salary grade/range.

Once a person on a reemployment list is reinstated to a regular position as a result of his or her reemployment rights, his or her name will be removed from the reemployment list for the classification to which he or she was reinstated and from all reemployment lists for classifications at the same or lower salary range of the classification in which he or she was reinstated.

A list outlining the person's status on all reemployment lists shall be incorporated in the notice of the reemployment opportunity.

10. Restoration of Benefits Upon Reemployment Following a Reduction in Force

Upon reemployment following a reduction in force, an individual will have the following benefits restored:

- a. Prior sick leave accruals minus the number of hours cashed out at time of layoff.
- b. Classification Seniority at time of layoff for purposes of determining merit increases and future reduction in force. City Seniority at the time of layoff for purposes of determining vacation leave accruals and future reduction in force.
- c. No probationary period shall apply upon reemployment or reappointment, in the case of demoted employees, unless the employee has never held regular status within the classification series for the classification the employee is appointed to.

11. Non-Discrimination in Reduction in Force

Layoffs and demotions which result from a reduction in force shall be made without impermissible consideration being given to an employee's race, color, religious belief, national origin/ancestry, ethnicity, gender, marital status, sexual orientation, age, disability (physical or mental), medical condition or union membership or lack thereof.

12. Due Process Procedures

a. Pre-Layoff Procedural Due Process

1) In addition to the procedures that may apply under Rule XVII, Section 2(c)(3) of the Personnel Rules and Regulations, a regular employee as defined in the Personnel Rules and Regulations, will be provided the following safeguards prior to the implementation of a layoff:

- a) A written notice of the proposed layoff;
- b) The reasons for the proposed layoff;
- c) The right to respond to the proposed layoff orally, in writing, or both to the applicable department head within seven (7) calendar days from the date of the written notice.

2) The department head shall consider the employee's oral and/or written response and will render a reply with comments in writing within seven (7) calendar days after receiving the employee's response.

b. Post-Layoff Procedural Due Process

In addition to the procedures that may apply under Rule XVII, Section 2(c)(3) of the Personnel Rules and Regulations, if a regular employee as defined in section 1 above, believes the layoff is a pretext for discipline or in retaliation for protected activity, the employee shall have the right to request an appeal hearing under the procedures set forth in Rule XIV of the Personnel Rules and Regulations. The issue to be decided in the appeal hearing is limited to whether or not the layoff is a pretext for discipline or in retaliation for protected activity and not based upon grounds described by Rule II, Section 27 of the City's Personnel Rules and Regulations. The employee shall have the burden of proof on that issue.

C. Reinstatement

With the approval of the appointing authority and the Human Resources Director, a regular or probationary employee who has resigned with a good record may be reinstated without examination to a vacant position of the same or comparable class previously held within two (2) years. Upon reinstatement, the employee for all purposes shall be considered as though he/she were a new employee.

D. Break in Service - An interruption of continuous service

The following are considered breaks in service:

1. Resignation.
2. Discharged for just cause.
3. Absent without notice for three (3) consecutive work days.

5. Failure to report for work following termination of authorized leave of absence, unless such time is extended in writing by the City.

A break in service has the following effect on the employee's personnel record:

1. Removes from consideration all previous periods of employment in the determination of Vacation Leave benefits.
2. Removes from consideration all previous periods of employment in the determination of seniority when considering layoffs due to lack of work or lack of funds.
3. Removes from consideration all previous periods of employment for purposes of computing eligibility for the next salary increment.
4. Removes any claim or right employee has to his/her former position and salary.
5. Except as otherwise required by law, removes all accrued sick leave.

The following shall not be considered an interruption of continuing service (break in service) for persons who work during the regular hours or shifts of the classification in which they are employed:

2. Leaves of absence granted by the Department Head.
3. Paid Vacation Leave.
4. The period of military service and incidental periods pertaining thereto prior to reinstatement under the provisions of the Government Code.

Membership is compulsory (except for elected officials) for all probationary and regular employees employed 1,000 hours or more per fiscal year.

The City may request the Public Employees' Retirement System to retire an employee who becomes physically or mentally incapacitated to perform the duties of his/her position.

The City may also request disability retirement for an employee if an industrial injury leaves the employee with a permanent disability which prevents him/her from performing the duties of the job for which he/she was hired or which might subject him/her to further injury if employment were continued.

The City shall make every effort to transfer or reassign the partially disabled employee to another existing position within the classification plan before a request for disability retirement is made.

F. Severance Benefit

The following severance benefit package is available to employees who are laid off:

- Cash payment equal to one (1) week of salary of each year of service plus one additional week, up to a thirteen (13) week maximum. Partial year of service rounded up to the next whole year.

Receipt of the severance package is subject to the employee signing the City's Release and Waiver Agreement.
