

Do You Want to Help Win a Strong Contract?

SEIU members have achieved our biggest gains when our co-workers participate in worksite actions, rallies, demonstrations, discussions and more.

The Contract Action Team is comprised of a network of leaders who communicate information to and from the bargaining table, and, even more importantly, organize and mobilize members to win great contracts.

Your elected Bargaining Team is bargaining now! Through our joint efforts we will show the public and elected leaders that we make the City of Los Angeles a great place to work and live.

_____ YES! Sign me up to be on Local 721's Contract Action Team. I will work to keep my co-workers informed about bargaining issues, and move my co-workers into action to win a strong contract.
