

Campaign Kick-Off to Stop Riordan

**Saturday
November 17
10:00 a.m.
SEIU 721
1545 Wilshire Blvd.
Los Angeles 90017**

BBQ lunch will be served.

Join hundreds of union members and community allies as we kick off the campaign to prevent Richard Riordan from qualifying his pension-slashing ballot initiative.

We'll rally and then hit the streets to stop Riordan's attack on city workers.

"It's time for all members to get energized and join this fight. We have to stop Riordan to save our retirement benefits and make sure future city workers can retire."

**— Andy Morales,
LA city trash truck driver**
