

# Upcoming Actions to Stop Riordan

Billionaires and millionaires, led by Richard Riordan, are paying hundreds of people to gather signatures for a ballot initiative that would eliminate your pensions and replace them with risky, costly 401(k) plans. They've got until Dec. 7 to gather 255,000 valid signatures from LA city voters.

Your union, SEIU 721, along with the Coalition of LA City Unions, is spearheading **Keep LA Strong**, a network of unions and community groups aimed at rejecting Riordan's power grab.

You can get involved by visiting our website, [www.seiu721.org](http://www.seiu721.org). Click the "401 Not OK" button.

And join us at these upcoming actions to stop Riordan's plan.

*"We need to stop Riordan to save our retirement benefits and make sure future city workers can retire.*

*It's time for all members to get energized and join this fight. Let's get out there in these next few weeks. Our families' future is at stake."*

— Andy Morales,  
LA city trash truck driver
