

Tell the EERC:

Approve Our Contract Now

Tuesday, Jan. 8, 7:30 a.m.
@ LA City Hall
Council Chamber
Conference Room 340

LA's CAO, Miguel Santana, is holding up the tentative agreement we ratified with DWP management. But we can turn things around.

We need all DWP security officers to show up at the next Executive Employee Relations Committee meeting to say with one voice: "Approve our contract now!"

We negotiated a contract, the city should honor it.

A Deal's a Deal!
