

2018-2021 Union Contract Tentative Agreement Summary Supervising Social Workers BU 777

10.75% Pay Increase, Plus a \$1000 Bonus!
**Additional Salary Improvements and Guaranteed,
 Fully-Paid Medical & Dental Coverage.**

We did it! After hard-fought contract negotiations, we've reached a Tentative Agreement (TA) on our 2018-2021 L.A. County contract. Thanks to the organization, determination and unity of you and your fellow Union Strong co-workers, our TA offers us a wage increase that is more than TRIPLE what management originally proposed and a \$1,000 one-time bonus!

Together, we secured guaranteed fully-paid health and dental coverage, which is practically unheard of anywhere else. Our agreement also provides an increase each year to our Options healthcare plan contributions – an increase that we fought for in order to help offset a new Flex Earnings cap.

Your SEIU Local 721 Bargaining Policy Committee (BPC) recommends at YES vote on this Tentative Agreement so that we can start to enjoy these milestone wins – and continue to stand united for LA County.
